

Carers Support West Sussex

for family and friend carers

Do you look after someone who could not manage without your help?

You are a carer if you are looking after someone who:

- Has a long term illness
- Is disabled
- Is frail

They might be a partner, relative, child, neighbour or a friend.

How can we help you?

Many people who care for someone do not think of themselves as a carer.

They miss out on services, support, advice and benefits.

Carers Support can help carers from across West Sussex by providing practical information and emotional support.

Carers Support Workers

Our Carers Support Workers can help you to get:

- Support from our Carer Wellbeing Fund (small amounts of money to help you)
- Equipment to help you be more independent
- Welfare Benefits you should have

Our workers can help you to care for your loved one with information and advice about:

- Mental Health

- Learning Disabilities

- Autism and Asperger Syndrome

- Drugs and Alcohol issues

- Parent Carers

- Young Adult Carers (age 10-25)

- Dementia

Emotional Support Service
