

# Hospital Support For Carers

**Support for carers with loved ones in hospital**

If you look after a family member or friend, you might be an **unpaid carer**.

We are here to help you with your caring role.

## Hospital Support

Having someone you care for in hospital can be hard.

We can **help you understand the hospital journey** from start to finish.

We help you **plan what to do next**.

We can make sure you're **speaking with the right hospital staff about next steps**.

## After Hospital Care

After leaving hospital, **some people go back home with extra support.** Others may need care in a different setting.

We are here to help you understand your options.

After hospital discharge, we offer up to **6 weeks of calls** to check on your wellbeing and support.

We help with **practical matters** and **support your wellbeing.**

We offer access to **benefit advice** and **information about funding.**

You can ask **hospital staff to refer you to us.**

Call our helpline or visit our website for more information.

We are here to support you.
